Licensing, Fees & Permits

Arizona requires all businesses to be licensed through the State of Arizona and must file a Transaction Privilege Tax Application with the Arizona Department of Revenue. The state assesses a \$12 fee at the time the form is filed. The form may be downloaded from the Arizona Department of Revenue website at <https://azdor.gov/forms/tpt-forms/joint-tax-application-tpt-license>

Direct questions regarding this tax, license and form should to AZTaxHelp@azdor.gov

The Arts & Crafts area is devoted to the display and sale of vendor items. To facilitate the selection process, we ask that you provide as much information as possible on your application. Attach separate sheets of paper and photos if necessary.
